**RE: Lawanna Williams  
Termination of Pretrial Diversion**

Dear Mr. Keller:

Ms. Williams began her fifteen-month pretrial diversion program on August 31, 2009. Aside from her general conditions of pretrial diversion, she was required to complete 100 hours of community service within twelve months of the agreement.

Ms. Williams has complied with her general conditions of pretrial diversion since the program commenced. Ms. Williams also completed her required 100 hours of community service, and documentation was provided for verification purposes. A copy of the letter provided by the SPCA of Northern Nevada is attached for your records. Due to the completion of the divertee's community service, in addition to her compliance with all other conditions of pretrial diversion, it is recommended that this pretrial diversion case be granted an early termination. If you have any questions, you may contact me at 686-5967.

Sincerely,

A handwritten signature in black ink that reads "Jennifer Simone".
